** For the October meeting drawing. **

FALL SQUARES 10" (10 1/2" unfinished)

Fabrics : Background triangles are 3 shades of green print. Two are dark green print, one is medium green print and one is med. light print. Look at diagram for placement.

The center of the blocks are strips of yellow, gold, rust. Just think of our Fall trees changing color.

Cut : 1- darkest green print 5 7/8" X 5 7/8" and sub-cut as shown.

For other 2 triangles, use one of the already cut triangles as a template.

For string piecing, cut 2 paper squares 5" X 5" and sub-cut as shown. This gives you 4 triangles to sew your strips of yellow, gold and rust fabric on. These paper triangles DO NOT include seam allowance so BE SURE TO EXTEND FABRIC beyond paper pattern. After filling with fabric, then cut the edges down to leave a 1/4" seam allowance. While sewing the strips of fabric, you do not have to keep the seams parallel. You can leave the paper in place when sewing block together. It will stabilize all the bias edges. HOWEVER, would you please remove paper before handing in for the drawing. I'm positive the winner will thank you.
