SUPPLY LIST:

- * An 8" or 10" wooden embroidery hoop and muslin to fit hoop. An inexpensive hoop will do if you want to keep your sampler in the hoop permanently as a reference. Or, substitute an 11" pvc quilting frame if you already own one....not necessary to purchase for class.
- * 1 - 17" x 6" rectangular mock "quilt". Please bind using the double fold method, with mitered corners. Hand sew the binding to the backing using a blind or appliqué stitch (rather than machine stitching) to make the beading easier to accomplish. The binding on the top should measure no less than 3/8" wide - measured from seam line to folded edge. You don't need to make an actual quilt....a "hot pad" type will do. Minimal machine quilting to hold the layers together is sufficient. A solid, light-colored fabric (like muslin) for both the body of quilt and binding will be easier to work with during this learning process.
- * needles - a # 10, #11, or #12 quilting between (or the smallest size YOU can thread) and a # 11 or # 12 appliqué needle (also known as Sharps or Straw Needles.)
- * small ruler - 6" long x 1" wide is adequate
- * 3 straight pins
- * small shallow dish for beads - avoid plastic if possible
- * small scissors that is sharp to the point or thread clips
- * pencil or fine-line permanent pen to write notes on your samplers
- * Ott light and extension cord - *This is optional....you may end up dragging it with you only to find it's not possible to plug in due to the room set-up. (I always request nice bright classrooms....and when we are lucky....they are available!)
- * Optional - If you own any of my three beading books, please bring along to class, it can be a helpful reference. However, it is NOT necessary to purchase any books for class.

Supply fee: A \$10.00 supply fee payable to instructor in class is required for the purchase of a kit containing all the necessary beads, embellishment items, and beading thread.

Instructor will offer for purchase: autographed copies of her books, additional beads and beading thread, her favorite quilting between, and PVC frames.
