*Janome sewing machines will be provided in the classroom

Create a quick bag using all sorts of fun techniques. Use the bag as a palette to couch Candlelight and Ribbon Floss using a variety of decorative stitches. With a few basic techniques, you'll begin to use more of the stitches and buttons on your machine. Insert zippers the quick and easy way using the Edge Stitching Foot. Complete the project into a 3 pocket bag- 2 zipper pockets and one with a Sew-in magnetic Snap, sewn in by machine!
