by Kate Eelkema

## Class Supply List

### Fabrics

All fabrics should be 100% cotton and 44 inches wide. If the fabric isn't that wide, you may need extra. Pre-wash and press all fabrics before cutting. Before class, choose one option and pre-cut as follows:

#### Option One (leaves from two fabrics)

You will need  $\frac{1}{4}$  yard each of two leaf fabrics (with high contrast), plus  $\frac{1}{2}$  yard border fabric that coordinates with both.

Border fabric: cut two strips - each 3" wide

cut one strip - 1  $\frac{1}{4}$ " wide

Dark leaf fabric: cut one strip - 2" wide

cut one strip - 2" wide

Light leaf fabric: cut one strip - 2" wide

cut one strip - 1  $\frac{1}{4}$ " wide

#### Option Two (leaves from five fabrics)

You will need  $\frac{1}{4}$  yard each of five different leaf fabrics plus  $\frac{1}{2}$  yard coordinating border fabric.

Border fabric: cut two strips – each 3" wide

cut one strip – 1  $\frac{1}{4}$ " wide

From each of the five leaf fabrics: cut one strip – 2" wide

cut one strip – 1  $\frac{1}{4}$ " wide

For either option: Cut backing fabric and batting each 20" x 20"

### Supplies

Sewing machine in good working order. Bring extra needles.

Thread to coordinate with selected fabrics. You may need more than one color if you use very dark and very light fabrics. Fill bobbins before class.

Bring plenty of straight pins – you'll need them.

Scissors, seam ripper, fabric marking pencil

A light, an extension cord, and an extra seat cushion, if desired.

Rotary mat, cutter, and rulers.

(A 4" or 6" square and a 6" x 24" long or 15" square ruler are recommended for this class.)

Optional – bring The Angler if you have it and like to use it.

It is always a good idea to have extra of each fabric, just in case, so after you cut the strips as indicated above, bring the rest of each fabric along to class.

**NOTE: There will be a \$5.00 template/pattern fee payable to the instructor during the class.**
