Create a simple and speedy lap quilt in this fun class. Large scale prints are exciting to use because each block will be different but coordinated. It will look great in bright prints or soft pastels. Techniques include strip piecing, rotary cutting with 45-degree angles, and taming bias edges. Lots of tips for sewing and pressing accuracy will be discussed during class. Quilt size: 40" x 51".

Supply List:

Fabric: (fat quarters measure at least 18" x 21")

Fabric A (large scale prints that go together well)	6 fat quarters
Fabric B (tone-on-tone prints, different colors)	2 fat quarters
Fabric C (accent, different colors)	2 fat quarters
Fabric D (cornerstones)	1 fat quarter
Fabric E (sashing, different colors)	2 fat quarters
Fabric F (border, different colors)	2 fat quarters

To finish the quilt you will need:

- Binding ½ yard
- Backing 2 7/8 yards
- Batting 46" x 57"

Supplies:

- Sewing machine with ¼" patchwork foot
- Rotary cutting equipment: rotary cutter, 6" x 24" ruler (must have 45-degree angle line for cutting), 18" x 24" cutting mat
- Neutral piecing thread
- Basic sewing supplies (pins, seam ripper, scissors for clipping threads)
- Pen & paper for taking notes
- *Optional:* 12 ½" or 15" square ruler
