

W14D: Size Really Does Matter

Teacher: George Siciliano

Class Length: Full Day

Skill Level: All

Required Fee \$10 Kit 1(Instructions and Foundations)

Optional Fee \$38 (Includes Kit 1 and all fabrics)

This is a miniature quilt workshop. In this workshop you will learn the entire process for making a miniature ‘gem’, from the design of a block and pattern right thru to the construction process. You will learn some tips that will take the guesswork out of joining patches and blocks, without using pins. The skills learned in this workshop can be used on any size quilt. The block you will make is George's own original design. (the first in his “Amazing Log Cabin Variations” series.) The finished quilt pattern is called “Glow in the Dark”. Just a note, Virginia and George teach this class together. You’ll definitely enjoy this experience. They firmly believe "Quilting is Fun."

There is a workshop materials fee:

Each of the workshop kits #1 and #2 include an eight page booklet, (so you can remember and review the important points at a latter date) a block schematic (an original block), foundations (enough to complete the class project), and a worksheet for George’s original design.

Kit #1 - \$10.00 per student - student provides their own fabric.

OR

Kit #2 - \$38.00 per student - includes enough fabric to finish the top. this kit includes- Two(2) complementary six step gradations (12 colors in all, 1/4 yard of each) and 1/2 yard of black) total of 3 1/2 yards of high quality 100% cotton fabric. These fabrics were specifically selected to maximize the beauty of this design. (students may choose from 18 different gradations encompassing the entire color wheel) I have made this kit available for the students because most quilt shops do not carry solids in gradations.

Student Supply List

1. sewing machine (in good working order) with an open toe foot (quilters foot is a good one)

2. rotary cutter (nice and sharp) with a cutting mat and 6" or 12" ruler.
 3. light gray or white thread in bobbin and spool
 4. plus all of the other items you need to sew pieces together.
- George will provide foundations for 2 different size blocks (2" or 4") students choice.

Fabric

Two complimentary colors in a 6 step gradation (total of 12 colors) from very light to very dark.(minimum,1/4 yd each shade). Also a 1/2 yard of black. They must be solids or very small prints that 'read' as solids. Please, no calicoes. I will also have a good supply [\(over 135 colors\) high quality gradated fabric available for sale if the need arises.](#)
