3D Beaded Ultra Suede Flowers

Taught by Nancy Eha

<http://www.beadcreative.com> nancyeha@beadcreative.com

Learn several beading embellishment stitches and the beaded edging stitch as you construct and bend your flowers into 3-D shapes. Creativity encouraged, as no two student flowers will be alike! Several patterns provided in workshop. A great addition to art garments or quilts.

1/2 day all experience levels, no sewing machines needed

\$9 mandatory materials fee

Students should bring to workshop:

Glue stick

Micron Pigma pen

Pencil

Small sharp scissors or embroidery scissors

Paper scissors

Cool Whip lid or white glass or ceramic non-segmented plate to bead off of, or Velux beading cloth

Glasses if needed for handwork

Lamp with extension cord

Power strip to share
