Fabric Prewashed and Pressed with starch - paper piecing produces the best results when the fabrics are pressed with spray starch.

Classroom Store

I will have available for purchase in the classroom a few of the supplies necessary for class: Add A Quarter rulers, finger pressers and a few basic notions. Some of these items may be difficult to find at your local shops because their use may not have "caught-on" in all locales.

If you have any questions before class, please feel free to email me: brenda@bearpawproductions.com
