**Slide & Fashion Show presented by Surface Design Minnesota**  
Surface Design Minnesota will present a slide and fashion show of wearable art from 14 of their artists, including MQ member Damaris Jackson. Surface Design MN is an organization of 75 local artists who manipulate the surface of fabric by painting, dyeing, printing, quilting, piecing, sewing machine graphics, blueprinting, and all manners of embellishment. Members design and produce one-of-a-kind and production yardage for wearables and interiors.  
Slides which detail techniques used in production of the fabrics, as well as close-ups of the garments themselves will be shown in conjunction with the wearable art on the stage.  
Anna Carlson and Carol Adleman are coordinators for Surface Design Showcase. Come and join us for an evening of inspiration and fun!

Jeannette's Roots

I can't believe these two years on the board are almost over, and I come toward June with mixed feelings. Maybe I can do a quilt that is not machined, and my boss will be happy that I won't be making so many requests for time off.

However, I have enjoyed working with dedicated people who say, "I'll do that!" and then do it. I have met, in person or by phone, many interesting people from all over the country. Yes, I have had to deal with some problems and a few complaints, and I hope I have solved them fairly.

There is also a sense of accomplishment shared by the board that we have continued to emphasize and expand the idea that we are truly MINNESOTA QUILTERS—serving members in all 90 counties. Our annual shows have stretched south to St. Peter two years ago and Mankato this year, and hopefully will stretch north in the future.

In March, the show committee meeting was held at the college in Mankato. It was a lovely drive on a typical spring day. We toured the facility (all classes and exhibits, all vendors and food service in the same building) and were assured that Mankato is laying out the red carpet for us.

After the meeting, we headed north toward home. As an added bonus, the van we were riding in stopped automatically at antique shops. There are 19 of them along Rt. 189 from Shakopee to Kasota; we have 17 to visit between now and show time. If you haven't registered for that great show weekend, do so at once or I will be obliged to buy all the goodies myself.

Postscript to last month's note. South St. Paul came in 6th place; always a bridesmaid, never a bride. Wait 'til next year!

Quilt Entry

This year's quilt show is fast approaching and along with the deadline for entering your quilt. As the term implies, it is hard to have a Quilt Show if there are no quilts displayed. The deadline for entering your quilt, wall hanging or garment is May 1, 1989. An entry form was included in your show packet. Fill it out and send it to: David Shaftuck, 1526 Sheldon St., St. Paul, MN 55108.

Reminder—Small Quilt Auction

You still have time to make a small quilt for the auction. If you don't have time to volunteer, there is a good way to be involved in the show. Maximum size is 24"x36". Any technique. You can send them to us or bring them to a meeting.
